Become a RIDE CHAMPION

Ride Champions are motorcyclists who want to get out in front of the pack by donating or raising $100 or more through the generosity of friends, family, and coworkers in support of the Ride for Heroes.

Among the almost 200 who joined us for last year’s Ride, 63 were Ride Champions who raised more than $36,000. This support helps police, fire, and other first responders receive treatment for PTSD, addiction, depression, and other related symptoms caused by duty-related trauma.

Join us for the 9th Annual Ride for Heroes on Saturday, August 18, 2018. In addition to enjoying a fun ride through the beautiful byways of southern Vermont and a delicious post-ride B-B-Q, Ride Champions receive additional benefits listed in this brochure.

Or...Become a USP CHAMPION!

Want to help but can’t join us for the ride? Lend your support by becoming a USP Champion.

Just like Ride Champions, a USP Champion is anyone who donates or raises $100 or more through the generosity of friends, family and co-workers who support the Uniformed Service Program (USP).

Are you a USP alumni or perhaps you know someone who benefited from the program? Show them your support by becoming a USP Champion.

As a USP Champion you’ll receive the same benefits enjoyed by Ride Champions.

“Why do I support these men and women? Because they’re the people who will help me if I’m in crisis. I want to be there for them when they are most in need. My friends sponsored my ride with cash, checks, and through the online donation page I created.” —Terry Emond

“If you’ve been around soldiers and firefighters and EMTs, you know we talk a little differently, we use language that some people probably are not comfortable with but that’s how we communicate. So as I sat through my group session and spoke about my issues, I could see others in the room nodding their heads in understanding. They got it. And that’s when the healing started for me.” —Windham County Sheriff Keith Clark

Benefits for all CHAMPIONS

Champions who donate or raise $2,500 or more receive a quilted, insulated, durable wind- and water-resistant Journey Parka with custom embroidery and all prizes below.

Champions who donate or raise $1,000 receive a custom-embroidered, dual-layer, soft shell fleece jacket and all prizes below.

Champions who donate or raise $500 receive an ultralight outdoor leisure hammock with max support weight of 450 lbs. and all prizes below.

Champions who donate or raise $250 receive a USP baseball cap, plus the t-shirt shown below.

Champions who donate or raise $100 receive a shirt with special Champion flag imprinted on the sleeve.

All Champions are:
- invited to attend the Ride for Heroes and enjoy the celebration and BBQ lunch on the Retreat lawn
- entered to win raffle prizes (winners are drawn at the event—your attendance is not required to win). Prizes other than the parka and soft fleece jacket can be collected at the Ride for Heroes event between 9:00 am—2:00 pm. Jackets will be sized, ordered, and mailed separately soon after the Ride. All prizes can be mailed to Champions not in attendance.

Why do I support these men and women? Because they’re the people who will help me if I’m in crisis. I want to be there for them when they are most in need. My friends sponsored my ride with cash, checks, and through the online donation page I created.” —Terry Emond
