

Addict in the Family

Support Group for Friends and Families of Addicts & Alcoholics

When: Wednesdays, 6:30 – 8:00 pm
Where: Holy Family/St. Lawrence Parish
4 Prospect Street
Essex Junction, VT 05452

This support group, facilitated by addicts and alcoholics active in recovery, is for friends and families who are struggling to cope with a loved one's addiction. We know that addiction can be strenuous and confusing for those surrounding the addict, and who better understands the complex weavings of addiction than those who have experienced it.

We offer a unique perspective on addiction from a first-hand experience. Through sharing our personal stories of failure and success, we believe we can inspire hope and provide an honest and insightful overview on how to approach addiction effectively. Our goal is to educate and equip families with the tools they need to confidently make decisions that support recovery in both the family and their addicted loved one.

Group members will have the opportunity to hear the experiences of addicts in recovery, ask questions, participate in discussion, or simply, just listen. Most of all, members can relate their stories with other families and receive support from those that have overcome similar circumstances.
