

Brattleboro Retreat

COMPREHENSIVE MENTAL HEALTH SERVICES SINCE 1834

Our 2025 strategic plan initiatives status:

Initiative	Status
Develop a continuum of care for Child and Adolescent services including Residential and Group Therapy Programs	Continuing to work closing with VT Agency of Human Services to open a 15 beds Adolescent Residential Treatment Facility in 2026. Opening an Adolescent Intensive Outpatient Program via telehealth in Summer 2026
Optimize scope and access to outpatient programs	Waitlists for outpatient services have been eliminated. Visit volumes and capacity are steadily increasing in 2026.
Deploy updated electronic health record technology to improve quality of care and gain efficiencies	Implemented the new electronic health record in July 2025.
Continue development of partnerships with local and statewide entities to broaden access to care to meet demand	Added adult psychiatric consult services for the Brattleboro Memorial Hospital Emergency Department.

Our 2026 Strategic Plan Initiatives:

- Exploring opportunities for gaining efficiencies and collaboration via the AHS lead Rural Healthcare Transformation Program.
- Explore opportunities to expand services focused on prevention of depression and anxiety that lead to longer term mental health issues for youth and adults
- Reduce dependence on VT Medicare and Medicaid populations to diversify revenue sources
